From

C.B.Gopala Rao, Esquire,

President, District Board, Kolar.

To

B.NAGAPPA, Esquire, Bar-at-law,
Secretary to the Government of Mysore,
Local and Legislative Depts., Bangalore.

Thro'

The Deputy Commissioner,
Kolar District.

Sir,

I have the honour to state that the Sreenivasapur Taluk Board President has, in his report No.135 dated 29.9.25, proposed together with the resolution of the Taluk Board for the appointment of an additional Vaccinator to the Taluk consisting of 6 Hoblies extending over an area of 325-14 Square Miles with a population of 6300 (including the Sreenivasapur Municipality wherefor there is no separate Vaccinator). He further states that though the present Vaccinator in the Taluk has been doing the required number of Vaccinations, yet the severe outbreaks of small-pox every year show that he has not been able to cope with the work and has left a number of unprotected children in the Taluk. The subject was duly discussed by the District Board at their meeting held on 10.10.1925 and they have unanimously resolved that a recommendation might be sent up to Government for sanction.

A copy of the resolution together with a copy of the Taluk Board -- President's report No.135 dated 29.9.1925 is herewith enclosed for the perusal of Government.

The Taluk Boards of Sidlaghatta, Goribidnur and Bagepalli are given 2 Vaccinators to cope with the works. Considering the vast area of the Taluk and the recent reports received from the Taluk, it seems, in the interest of the public safety, quite necessary to allow one more Vaccinator to this Taluk also.

I would therefore request you to move Government in the matter and obtain their sanction early.

	Area in Sq. Miles.
Sidlaghatta.	329.19
Goribidnur.	343.03
Bagepalli.	366.00.

I have the honour to be,
Sir,
Your most obedient servant,

C.B.Gopala Rao
President,
District Board, Kolar.

" E X T R A C T "

President,
District Board, Kolar.

Letter No.135 dated the 29th Septr.1925 from the President Tal Board. Sreenivasapur to the President, District Board, Kolar.

....

In enclosing herewith a copy of the resolution No.XVI passed at the Taluk Board meeting held on 29.8.1925 regarding the appointment of an additional Vaccinator for this Taluk, I beg to state that this Taluk consists of six Hoblies entending over an area of 325.14 sq. miles and containing 311 Villages with a population of 63,000/- (including the Sreenivaspur Municipality wherefor there is no separate Vaccinator) and for such a vast area, there is only one Vaccinator. From experience, it is observed that though the Vaccinator has been doing the required number of Vaccinations, yet the severe outbreaks of small-pox every year show that he has not been able to cope with

44.

wi th e wo rk and has left a number of unprotected children in the --
of Taluk. From the perusal of the Statistics for the past several years
Vac it is seen that a large number of children are carried away every
ar year. For instance in the last year 189 children succumbed to this disease. To testify the statement further, at Todigol, small-pox has now appeared in an epidemic form and a large number of people, like 75 have been attacked with small-pox in a single village.

As Vaccination serves such a protection against small-pox a disease which regularly visits every year, protection against it forms one of the few items of real good, that the Taluk Board should be able to do in preference to any other conveniences, it may be able to afford to the people.

I therefore, request you to be pleased to obtain the District Board's sanction for the appointment of an additional Vaccinator at an early date, and pending the sanction, the temporary Vaccinator sent to this Taluk on 23.9.1925 may be ordered to be retained. His pay will be met from Rs. 4245/- the balance amount of the Budget for 1925-1926.

"C O P Y"

President,
District Board, Kolar.
